LIVE THE LIFE YOU LOVE. Bring all fabrics, colours and styles you want and turn your home into a showroom filled with energy, lifestyle and friends. This is where you find furniture to match your personality. And with all these possibilities, who wouldn't like to show off?

Mynta

is made to look like you want it to. The simple design invites you to explore colours, fabrics, feet and even different extensions for the backrest. No matter what you choose, it will always be as stylish as it is comfortable. And the high seat will allow for easy access to everyday comfort.

Take a thick and springy seat, add a soft back cushion with decorative buttons, and a rounded backrest that seems to embrace you. If you do it right you'll end up with Alma – the quintessence of comfort. Our version also comes with a bonus: Each part of this armchair can be made of a different type of fabric.

Fox

Taking inspiration from the sleek style of the **10's** does not prevent Foxi from fitting right into a modern interior. The unique design is achieved through the simplicity of the seat, and by allowing a single wooden element double up as armrest as well as leg.

Rodolfo Dining Tables

Rodolfo stands for Rodolfo Valentino, the famous actor, known as the "Latin lover". Like twisting prisms which rise upwards, the metal legs of the table feature a change in geometry which streamlines them and supports the monumental nature of the top, creating an elegant textural and colour contrast. Strong character.

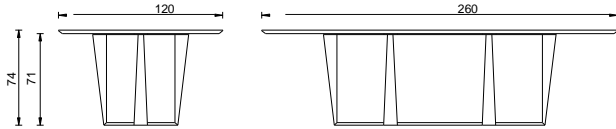

Solid yet with a lightweight appearance. The top can be round or boat-shape, and available in different finishes.

Rodolfo è un rimando a Rodolfo Valentino, il famoso attore, noto anche come il "Latin lover". Come prismi in torsione che si elevano verso l'alto, le gambe in metallo del tavolo sono caratterizzate da un cambio di geometria che le slancia a sorreggere la monumentalità del piano, creando un elegante contrasto materico e cromatico. Carattere deciso. Solido, ma alla vista leggero. Il piano rotondo o boat-shape è disponibile in diverse finiture.

Every year we create an exquisite range of new collections which are designed in-house by a team of experienced designers. The emphasis is always on quality and innovation.

Sof Les Cuir.

Les Cuirs

Stylish, exclusive and absolutely distinctive, this is the concept

By using different patterns and decorative colours, a leather wall becomes an object of art. The coarse stitching gives an extra tough character to this collection. Leather is an extremely natural and durable product, each skin has its own story and can contain scars or shades of colour. This makes Les Cuirs unique and exceptional.

assiette D'o

Design by Davide Oldani

La nuova linea Assiette DO nasce dall'immaginazione del talentuoso astro della cucina italiana e internazionale Davide Oldani. Ogni riferimento letterario non è puramente casuale, anche se Assiette DO si distingue soprattutto per l'ispirata originalità della sua visione creativa, dove le forme seguono e servono funzioni precise. Soluzioni inaspettate come il fondo inclinato del piatto da minestra Land sono piccole, preziose rivoluzioni di ingegneria della tavola che ci consentono di assaporare i sapori con sempre più piacere.

The new Assiette DO line is the brainchild of talented Italian and international cuisine star Davide Oldani. Any literary reference is not coincidental, though Assiette DO stands out especially for the inspired originality of its creative vision, in which form follows and serves an exact function. Unexpected solutions such as the inclined bottom of the Land soup bowl are small but sensational revolutions of tabletop engineering that allow us to savour its epicurean delights with ever-increasing pleasure.

Die neue Linie Assiette DO entsteht aus der Einbildungskraft des begnadeten italienischen und internationalen Starchefs Davide Oldani. Jeglicher literarische Hinweis ist nicht Zufällig. Assiette DO unterscheidet sich vor allen Dingen durch seine kreative Sensualität bei der jede Form einer genauen Funktion dient. Überraschende Lösungen wie der abgewinkelte Boden des Tellers Land sind kleine geschätzte Revolutionen in der Tischkultur die es uns erlauben die kulinarischen Genüsse weiter auszuleben.

La magia della lucentezza e della trasparenza, il colore bianco crema, lo stile fatto di forme chiare e pulite... Bellezza ed eleganza senza tempo fanno della Fine Bone China un prodotto inimitabile.

Schönhuber Franchi dedica un'attenzione particolare allo studio del decoro, elemento che caratterizza e dà unicità ai pezzi. I nostri esperti ed il nostro ufficio grafico sono in grado di proporre personalizzazioni speciali, uniche ed eleganti, realizzate dai nostri decoratori per le Vostre esigenze più esclusive.

The timeless beauty and elegance make Fine Bone China a unique product through the magic of its lustre and transparency, its cream white color, its style of clean forms.

Schönhuber Franchi pays special attention to the art of decorating and this comes out in the pieces and their unique nature. Our experts and graphic office would be pleased to personalize your projects in order to make them unique and elegant, as well as hand-fashioned, to make your decorations even more exclusive.

Der Zauber des Lichtes und der Transparenz, das cremefarbene Weiss, die Formen im Stil auf das Wesentliche reduziert, zeitlose Schönheit und Eleganz lassen das Fine Bone China zu einem unnachahmlichen Produkt werden.

Schönhuber Franchi widmet besondere Aufmerksamkeit dem Dekor, ein Element, das den Teilen Charakter und Einmaligkeit verleiht. Die Experten unserer Grafikabteilung können Ihnen spezielle individuelle Dekors unterbreiten, von unseren Dekorateurs gefertigt, um auch Ihren exklusivsten Ansprüchen gerecht zu werden.

Reggia: una linea "regale"
 scandita dal sontuoso concerto di
 accostamenti tra le morbide rotondità
 della Fine Bone China, le forme
 armoniose delle posate
 e le inconsuete, incantevoli trasparenze
 degli elementi in vetro.
 Tutto orchestrato dall'estro e dall'eclettica
 destrezza di un maestro del design
 contemporaneo, Matteo Thun.

Reggia is like a sumptuous rhapsody in
 white with rounded, soft-toned
 Fine Bone China, harmonious
 flatware and unexpected,
 enchanting glass elements engaging in
 an inspired interplay of textures
 and tonalities.
 Orchestrated with flair and deft dex-
 terity by one of contemporary design's
 maestros, Matteo Thun.

Reggia: eine "majestätische" Kollektion.
 Ein prunkvolles Zusammenspiel bestimmt
 aus der Kombination weich geschwungener
 Hohlteile von Fine Bone China, der
 harmonischen Form des Bestecks und die
 aussergewöhnliche verführerische
 Transparenz der Glaselemente. Dirigiert
 unter der Führung des eklektischen
 Meisters des zeitgenös-
 sischen Designs
 Matteo Thun.

BLANCO COOK

Front cooking for professionals: the best mobile cooking system generation by BLANCO Professional – with ION TEC.

PIPING HOT

BLANCO COOK: recipe for success for a new culinary experience

When cooking in front of diners, professionals must be able to safely rely on their equipment. The BLANCO COOK cooking system surpasses all requirements and accompanies you wherever cooking is intended as a performance and savouring begins as diners watch.

The centre piece of the mobile cooking system is the BLANCO COOK front cooking station. With its highly efficient extraction and filter technology, it provides an optimum climate on the set, ensuring there is no need to rely on stationary extractor hoods.

The front cooking station is available for between two and four cooking units. Thirteen different table-top cooking units enhance the station even further. They are all fast, powerful and reliable, and thus ideal for professional use in canteens, restaurants and dining halls and on hotel terraces.

STRONG SUPPORT.

The tray transport trolleys from BLANCO Professional.

Superior appearance in an award-winning design:
durable and high-quality with a perfect form.

Four ergonomic push handles with their large handle diameter make transport easier – regardless of which direction they're headed.

The extra-wide all-round bumper rail protects the trolley and furniture, as well as hands when pushing the unit through narrow corridors and doors.

LET'S COOK!

Well-designed in every detail: highlights of the front cooking station.

BLANCO COOK front cooking station

- Suitable as a serving counter, the extraction bridge also offers ample space for ingredients whilst affording a clear view of the preparation process.
- Functional design with one-piece smooth surfaces.
- Socket outlets behind the cooking units ensure cables are safely positioned.
- Fans and filters can be accessed from the cooking side.
- Usable storage space below the placement niche.

Freedom for busy hands

As the extraction bridge is so slender, more room is left for arranging and placing food.

BLANCO CONTROL – clear and simple

The electronic control with clear symbols makes operating the front cooking station simple. The filter change indicator automatically reminds you to change or clean the filter.

Filter replacement – quick and easy

Simply lift the lid of the extraction bridge, remove the grease filter and place it into the dishwasher – no tools required whatsoever.

AMANDINE CHAIGNOT

Amandine Chaignot hails from Orsay in the île de France region of northern France. A graduate of the Ferrandi school where she earned her culinary stripes, she is recognised as a highly gifted chef.

Amandine started out by working three years for the Plaza Athénée located at the Ritz London Hotel, followed by a stint at Le Meurice, and then the Hôtel de Crillon in Paris for two years.

She was then named chef of the restaurant at the Hôtel Raphael where she stayed through 2014. At 37, Amandine Chaignot found herself in the running for stars. In 2013, her appearance as a juror on the television program, Master Chef, brought her significant recognition. She represents a new generation of senior chefs that have recently taken the helm of significant establishments.

Today, Amandine has found her own culinary identity, and plies her trade at the Mirror Room in the Rosewood Hotel in London. From this home, and inspired by its history and techniques, Amandine Chaignot has today found her own culinary identity, offering a cuisine that is at once fresh, lively and refined.
